Manage Meeting Availability

Manage my Meeting Availability

You need to update your availability so attendees know when they can request meetings with you.

Block your unavailable meeting time both online meeting and in-person meeting at JIExpo, Jakarta / QSNCC, Bangkok.

Step 1: From Profile Info Menu, Click on "Setting"

Step 2: Click on "Meeting Availability"

Step 3: Add Block date and time for both Online Event and In-person Event

The screenshot shows the Food Ingredients Asia user interface. At the top, there's a header with the logo and event dates: 13 June - 31 October, 2022 Online Event; 7-9 September, 2022 Jakarta, Indonesia; 5-7 October, 2022 Bangkok, Thailand. Below the header is a navigation bar with links: Exhibitors & Products, Agenda, Speakers, Attendees, Sustainability, and News and Updates.

On the left, there's a user profile for Nureen C, Manager. A callout '1' points to the 'Settings' option in the profile menu.

The 'Settings' page is shown on the right. A callout '2' points to the 'MEETING AVAILABILITY' tab. Below the tabs, there's a message: "Please select the date and time you won't be able to have meetings. People won't be able to request meeting with you in this time. The calendar shows the time of the event. Don't forget to save changes." with a 'Got It!' button.

There are two calendar sections: 'Online blocked time' and 'In-person blocked time'. Each has toggle switches for 'Apply to whole event' and 'Apply to current month'. Below each calendar, there's a section for 'ADD BLOCKED HOURS' with 'From' and 'To' time pickers. A callout '3' points to the 'To' time picker in the 'Online blocked time' section.

At the bottom of each calendar section are 'Cancel' and 'Save' buttons.

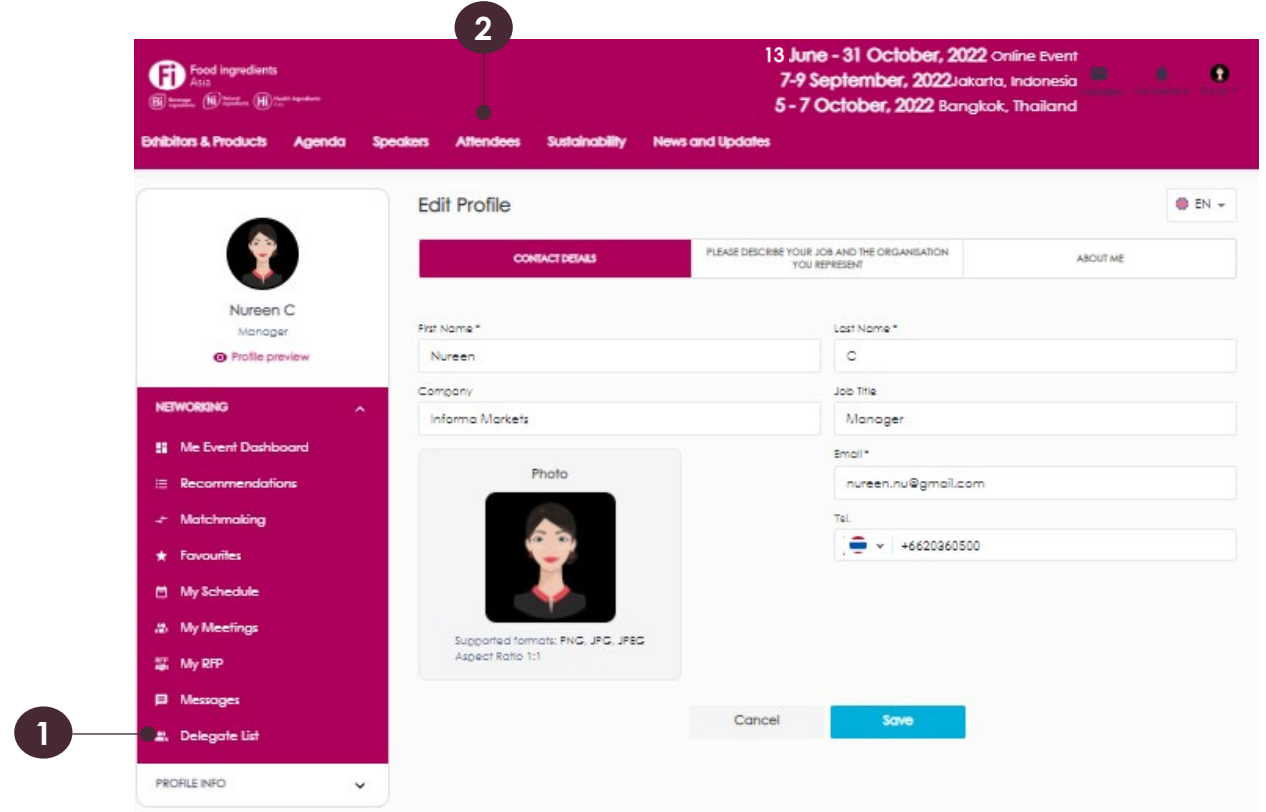

Networking Features - Engage with attendees

How to find attendees

Available from June 13th

2 ways to find the attendee list

1. Click on your profile, select Networking and click Delegate List
2. Under Attendee page
 - This is where you can start building your pipeline of valuable contacts, conversations and customers. Use filters to best find who you want to contact and meet.
 - Each person's profile can be clicked for additional details about that person. There are also icons that allow you to add the person to your list of favorites, send them a message, or request a meeting.

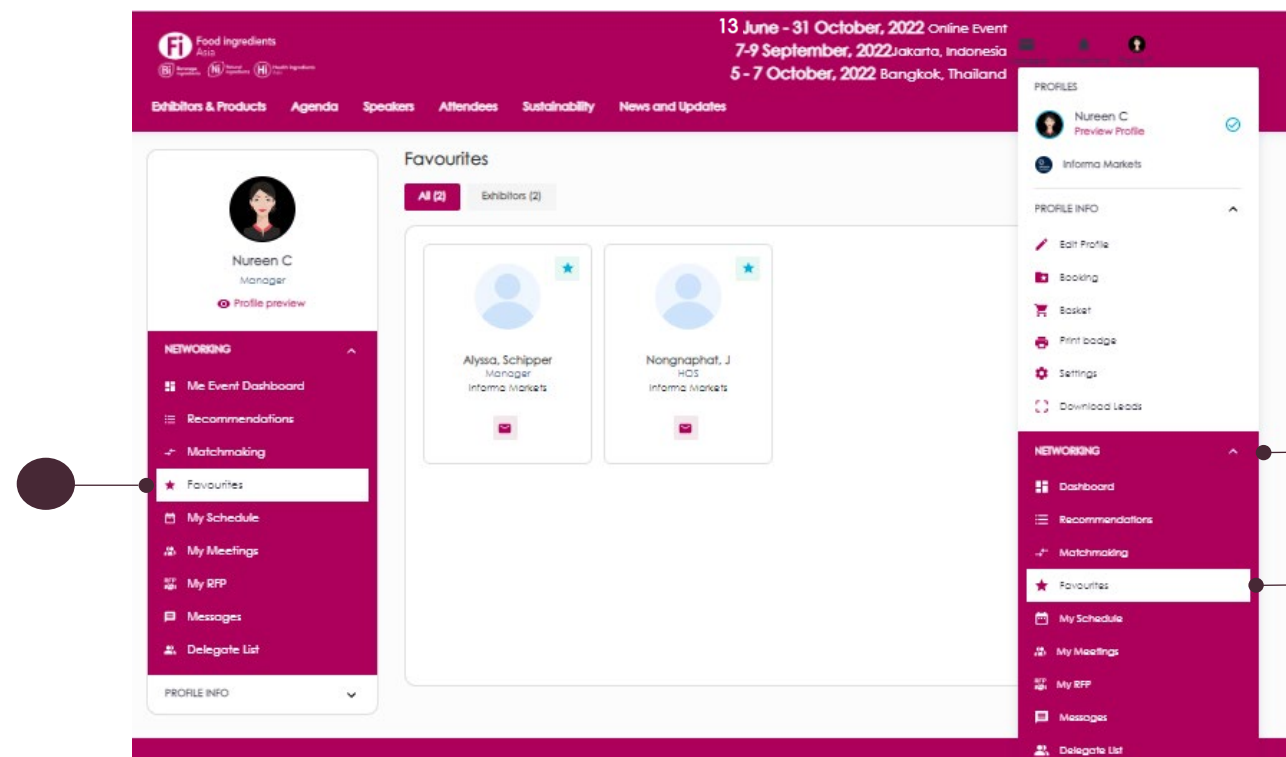

Saving and viewing favorites

You can save a person's profile, company or product to your list of favorites by clicking the star icon  on the profile card.

An item that you have already favourited will have a solid star, while a not yet favoured item will have a hollow star. To navigate to your list of favorites go to:

- o Profile
- o Click on "Networking Section"
- o Find my favorites in drop down menu

Messaging & Meetings

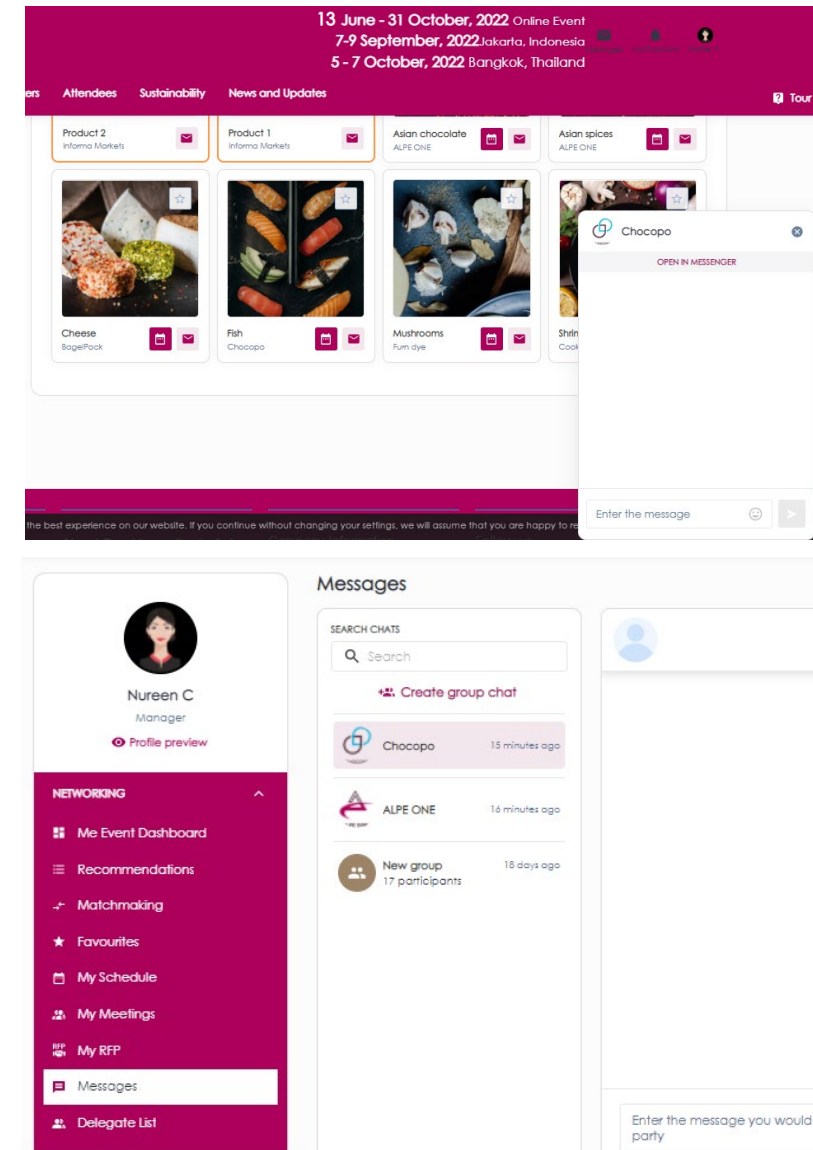

Sending & viewing messages

Throughout the platform you will see this Message icon  on all company, product and attendee profile.

To send a message, click on the icon and begin typing your message.
At the top right of the page you'll see Messages and Notifications.
When you receive a message, it will appear in Messages and you will receive all notifications under Notifications.

You can view and search all of your messages by clicking on the profile picture in the upper right, then choosing Messages in the Networking section of the drop-down menu.

From this page you can also create group chats.

Requesting a meeting

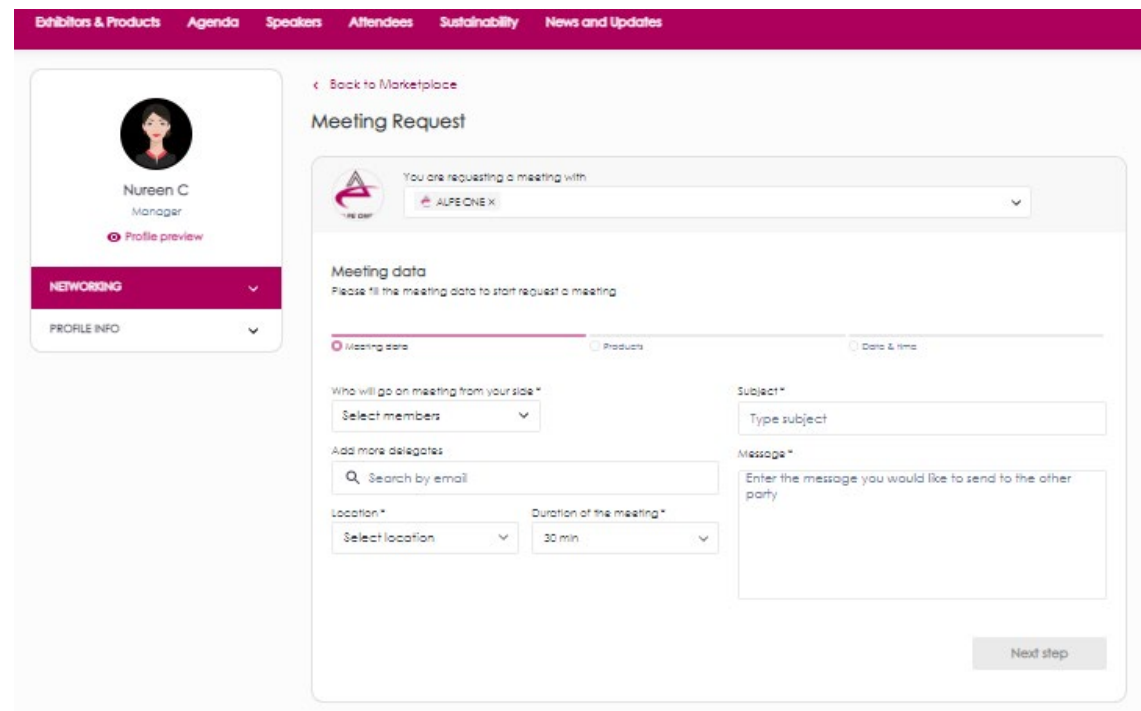

Throughout the platform you will see this Meeting icon  on all company, product and participant profile.

To request a meeting, click on the icon and begin filling out the form.

In the first step you'll be asked for:

- Subject - what is the purpose of the meeting?
- Message - a short message about why you want to meet
- Others you wish to invite (optional) - Invite others to join your meeting using their email address
- Location to meet (online or at event)
- Duration of the meeting

In the second step, you'll be asked to select a date and time for the meeting and then your meeting request will be sent to the other party when you click the Request Meeting button.

The screenshot shows the 'Meeting Request' form in the Food Ingredients Asia platform. The form is titled 'Meeting Request' and has a 'Back to Marketplace' link. It is divided into two main sections: 'Meeting data' and 'Meeting details'. The 'Meeting data' section includes fields for 'Who will go on meeting from your side?' (a dropdown menu), 'Add more delegates' (a search bar), 'Location' (a dropdown menu), and 'Duration of the meeting' (a dropdown menu). The 'Meeting details' section includes a 'Subject' field, a 'Message' field, and a 'Next step' button. The form is currently in the 'Meeting data' step, which is highlighted with a red bar.

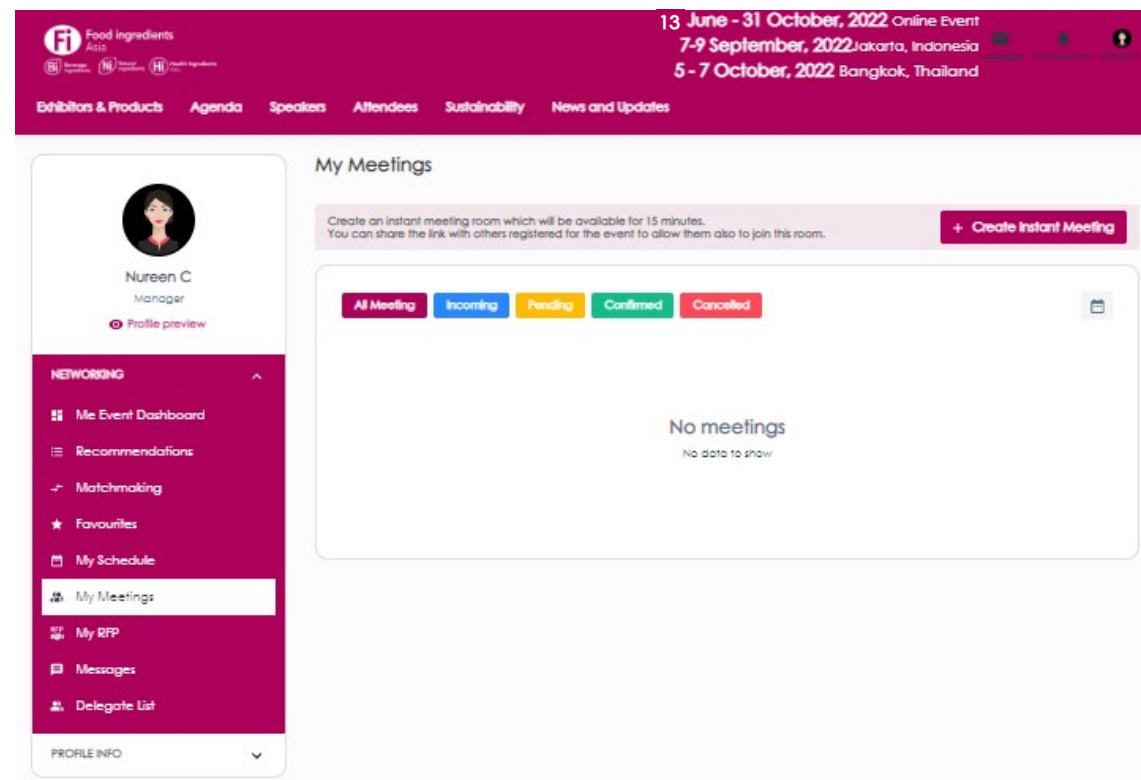

Viewing & managing personal meetings

On the My Meetings page, you can see all your meeting requests along with the status of each.

To navigate to My Meetings, click on the profile picture in the upper right, then click on My Meetings in the drop-down menu under Networking.

On this page you can accept or decline a meeting request, as well as reschedule or cancel a confirmed meeting. It is good business etiquette to action all meeting requests that you receive.

There is both a list view and a calendar view.

Viewing & managing team's meetings (for admin)

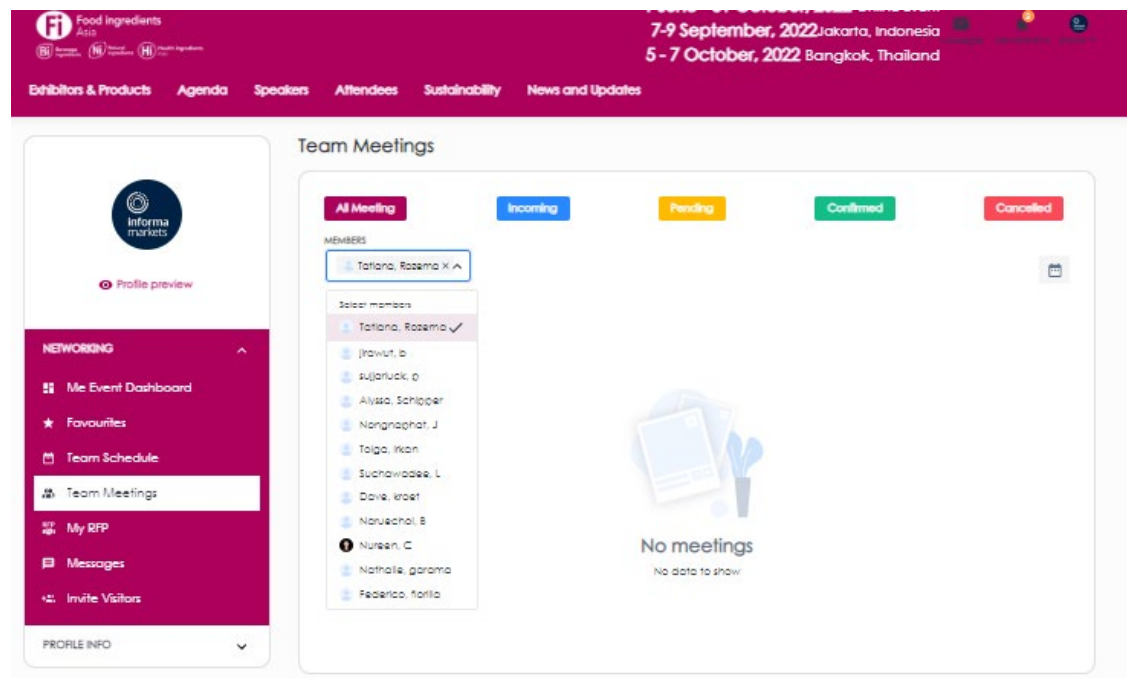

If you are an admin, you can see meeting requests for all your team members, along with the status of each meeting request at the Team Meeting Page.

On this page you can view meeting requests by:

- Status
- Team Member
- Date

There is both a list view and a calendar view.

As a reminder! an overview of meeting requests count and top performing team members can be found on the company dashboard page.

Starting Virtual Meeting

The My Meetings page is where you'll go to join your meetings.

You have to prior send meeting request for a virtual meetings.

For each of your meetings you'll see a countdown clock and a greyed out Join button as seen here:

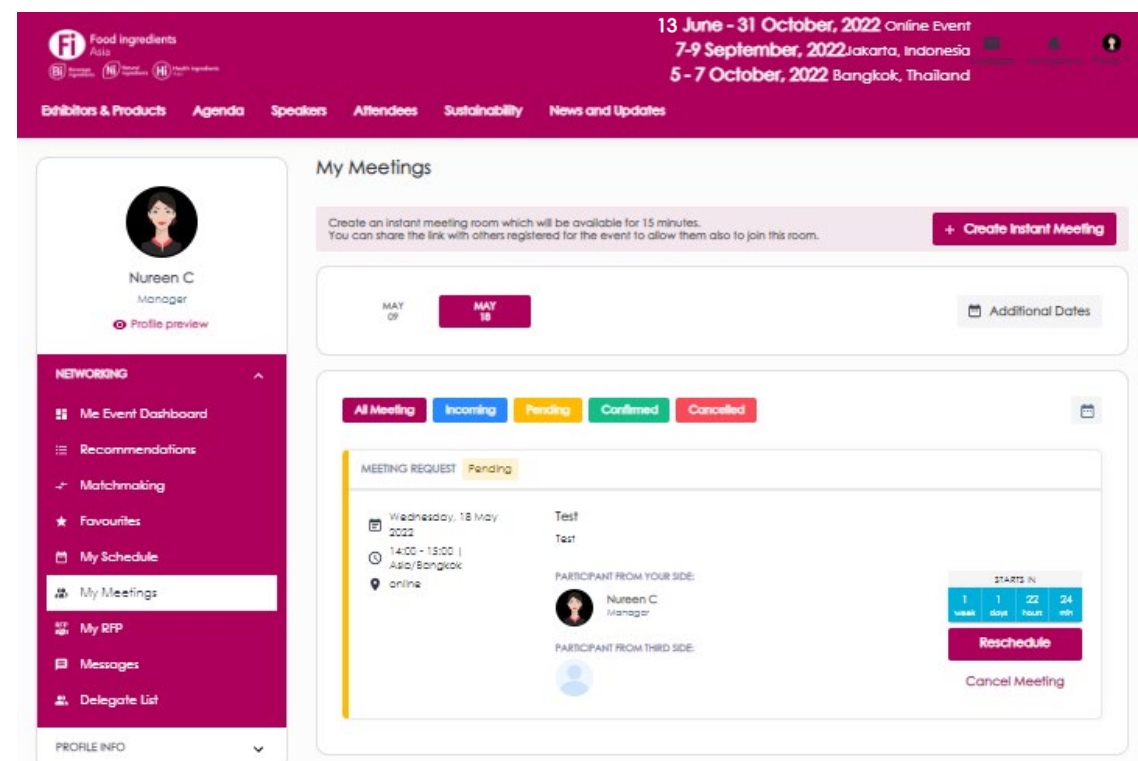

When it's time for a meeting, the Join Room section will turn green, and you can simply click it to join your meeting.

On the next screen, click Continue so a quick microphone and camera check can be done, then on the next screen click Join Room.

****Please note, you can join up to 10 minutes before the start of your meeting.**
The meeting room will also stay open should the meeting run over.

You can create an instant meeting room which will be available for 15 minutes.

Click the meeting link and share the link via message with others registered for the event to allow them also to join this room.

Platform Features

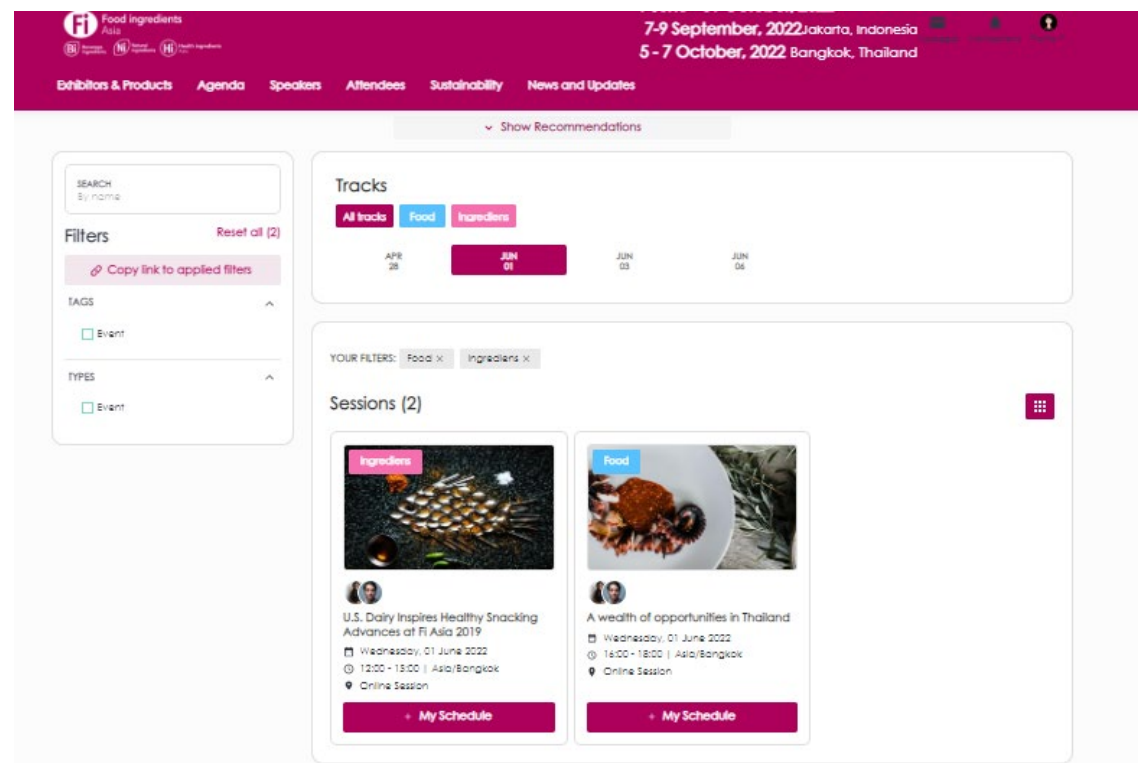

Register for sessions

Under the Agenda menu tab, you can find all sessions of the event.

To register your attendance, simply click My Schedule tab at the bottom of each session to add it to your schedule.

You can define your search by using filters located on the left side of the screen.

To go back to home page, you can click at the top logo.

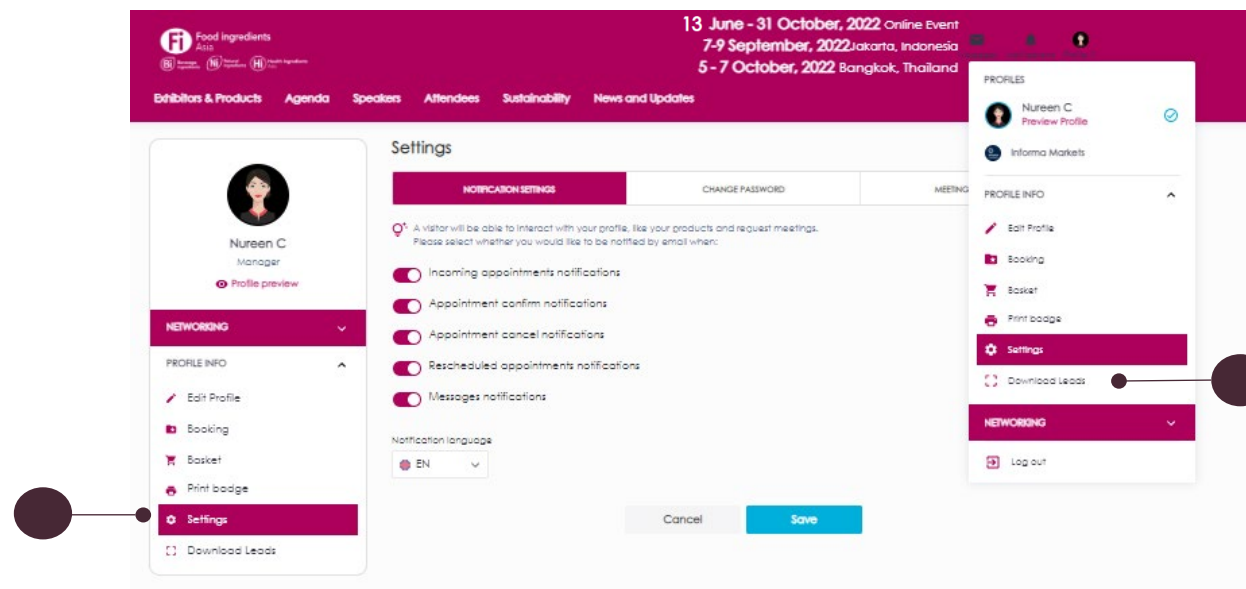

Download Lead

How to download leads?

As a team member, you can only download your own leads from your personal profile.

With an admin you can download all leads collected by your company under the company page.

Go to your profile and click Download Leads.
