The perfect location is waiting for you

Demographic change has spurred the demand for a wider variety of healthy food and beverage options in India, making food processing one of the country's largest industries.

As the most established food and beverage B2B event in the Indian subcontinent, Fi India & Hi remains at the forefront of innovation, gathering international buyers and suppliers to explore opportunities in India's burgeoning market.

“

Did you know that 91% of exhibitors find new buyers or business partners during the event? Fi India & Hi allows you to display your products to thousands of food and beverage professionals at once, and grow your business effectively.

Olav Masseling
Brand Director
Fi India & Hi

WHY EXHIBIT?

- ✓ High demand for international exhibitors with high-quality goods
- ✓ Access key decision makers from across the globe
- ✓ Discover the top industry trends and innovations
- ✓ FREE business matchmaking
- ✓ Dedicated promotional support through extensive visitor campaigns

WHY FI INDIA & HI 2019?

- To capture the market trend of health, nutrition and wellness, Fi India & Hi has created a powerhouse exhibition that will provide a complete **360° perspective of the industry.**
- **The biggest and most comprehensive B2B show** in the Indian subcontinent for food and health ingredients, processing and packaging industries.
- Fi India & Hi has been serving the Indian market since 2006 and rotates annually between Delhi-NCR and Mumbai, guaranteeing your business **a direct route to two very distinctive and growing regional markets.**
