

## Government of Delhi grants permission to hold B2B trade fairs & exhibitions at ITPO

**New Delhi, 19<sup>th</sup> July 2021:** Informa Markets in India is back with its much-awaited hybrid edition (physical + virtual) of the Food Ingredients India & Health Ingredients (Fi India & Hi) co-located with ProPak India event. After a brief pause, trade exhibitions are all set to begin. Embracing the change and realizing the renewed business needs, Fi India & Hi, a leading trade platform for the food and health industry, is all set to be hosted in a hybrid format.

The government of NCT of Delhi, India has permitted to open B2B trade fairs & exhibitions at ITPO, Pragati Maidan, Delhi. Fi India & Hi 2021 will be organised in accordance with **Informa's AllSecure health and safety standards**. As the world's leading event's organiser, Informa has developed a detailed set of enhanced measures to provide the highest levels of hygiene and safety at its events, providing everyone with reassurance and confidence they are participating in a safe and controlled environment.

The three-day B2B event is scheduled from **20-22 October 2021 (Physical Event at Pragati Maidan, New Delhi) & six-day virtual expo from 20 -25 October 2021 (Online Event)**.

Fi India & Hi is the platform to showcase the ingredients, services and products to thousands of high-quality food professionals. Fi India & Hi is unique as it is the only event dedicated solely to food ingredients in India, making it the must-attend business platform for food and beverage professionals in the region. Fi India & Hi has been serving the Indian market since 2006 and rotates annually between Delhi NCR and Mumbai, guaranteeing your business a direct route to two very distinctive and growing regional markets.
